Accessing Files at Home Using LCS:ICT Support> Foldr (VIA Browser) Accessing Files at Home Using Foldr (via Browser)

Instructions

To access your files at home on your own computer via "Foldr" please use either Google Chrome or Mozilla Firefox. You should at the very minimum ensure that your PC or Mac has all the available security updates applied and that you have up to date virus software running.

Accessing Foldr

You can access "Foldr" by typing "**my.littleover.derby.sch.uk**" in the address bar in either Chrome or Firefox and clicking on the Foldr tile.

ACCESSING FILES AT HOME USING FOLDR (VIA BROWSER)

Once the page loads you will need to log on using the username and password you use when you first log onto a PC in school.

ACCESSING FILES AT HOME USING FOLDR (VIA BROWSER)

If you click on a Word document, Excel spreadsheet or PowerPoint presentation and you have Office installed on your home PC you will be given the option to either "Download" the file or to "Edit with Microsoft Office". If you choose to download the file you will be able to access it as normal once you have located it in the relevant download folder on your PC.

	worksheet_1.2C.docx	Jun 10, 2016 12:51 PM		
	W worksheet_1.2D.docx	Nov 14, 2018 9:58 AM		

If you choose to edit the document it will open in either Word, Excel or PowerPoint (if you have these on installed at home). You may need to click on "Enable Editing" before you can work on the document. Once you have done this you will be able to edit the document as normal.

When you save the document it should automatically save back to the original folder from where you opened the document.

ACCESSING FILES AT HOME USING FOLDR (VIA BROWSER)

If you open a document such as a PDF you may get the option to either "View" or "Download" the document.

ACCESSING FILES AT HOME USING FOLDR (VIA BROWSER)

You should then be able to see the newly uploaded file in "Foldr" as shown below.

My Files » Curriculum » Departments » Enterprise Admin » COMPUTING » KS3 Computing » year_7 » unit_01

When you have finished using "Foldr" you must ensure that you log out which you can do by selecting your name in the very top right of the screen and selecting "Sign Out".
